HOUSING MAINTENANCE CASE STUDY

Rilmac has carried out various asbestos removal works for day to day repairs, planned preventative maintenance and planned housing upgrades for a top ten housing maintenance contractor.

Our Approach:

From January 2012 Rilmac has carried out various asbestos removal works for day to day repairs, planned preventative maintenance and planned housing upgrades to housing stock located within the borough of Barnsley. A successful working partnership has been forged over the years which has resulted in the annual framework agreement being extended year after year.

Customer Benefits:

By aligning a dedicated team to work closely with the client, a successful mutual working partnership has formed with the client enabling them to be confident in the high levels of service delivery provided.
