Dear Mr Woods,

### ARCA Gold Site Audit Award 2023

I write to congratulate you on achieving the ARCA Gold Site Audit Award for 2023. This is in recognition for achieving 6 audit grades A to C (with an average of at least a B grade) in membership years 2021/22 and 2022/23.

As you are no doubt aware, the introduction of the ARCA Gold Site Audit Award was intended to acknowledge those companies whose performance through ARCA site audits has been consistently of a high standard.

The ARCA Gold Site Audit Award is awarded to companies who meet the following criteria:

- achieving audit grades A to C, with an average of at least a B grade
- achieving this for 6 consecutive audits (i.e. 3 per membership year)
- the company has not been subject to any prohibition notice or prosecution for asbestos work during the qualifying period
- as audits have been unannounced since January 2017, we have had to make a slight weighting adjustment on some audits to account for the various stages at which a job may be audited, e.g. some are of a live enclosure, while others may pre or post live enclosure.

Please find enclosed a copy of your certificate to acknowledge the achievement.

May I thank you for embracing the Site Audit Accreditation Scheme into your company ethos, and encourage you to continue to insist on high standards across all your activities. May I pass on my congratulations to you all, and hope to be writing to you again with similar news regarding your membership year 2023/24.

Yours sincerely
